Application for a pupil leave of absence: can I respectfully remind parents that a leave of absence for any child in school should be made in the form of a request to the Headteacher. A leave of absence form must be completed in detail in every instance. The Headteacher can only authorise absences by law in exceptional circumstances and these circumstances must be explained on the form and should be submitted as far in advance as is practically possible. Family holidays **DO NOT** count as exceptional circumstances. Regular attendance at school is critical to ensure children make good rates of progress. Leave of absence forms are readily available on the school website and from the School Office.
