## EASTER EGG COMPETITION

We are again holding our annual Easter egg decoration competition. This will happen on the morning of **Monday 8<sup>th</sup> April**. Children will need to bring in either 1 hard boiled or blown egg on that morning. Children can also bring in other art materials that may help with their decoration or design of their egg. School will provide basic materials such as paint, glue, card and felt tips etc. All materials that are brought into school should be developed during that morning and not pre-made at home. I look forward to seeing the finished projects! Children will have the entire morning to create their designs.

Happy  
Mother's  
Day!
