7<sup>th</sup> June 2019

Dear Parents/Carers

This year again Sports day will be an all-day event on Friday 12<sup>th</sup> July. The traditional style races will still be held for half a day with 12 'athletic' style stations being held for the other half of the day to allow children to travel around in small groups achieving their 'personal best,' as this is now something that children must be given the opportunity to do within the P.E. National Curriculum. The timetable is as below:

Due to the large amount of activities going on I would be extremely grateful for any volunteers to 'man' the athletics stations,

	Morning	Afternoon
KS1	Athletic Stations	Traditional races
KS2	Traditional races	Athletic stations

help with races etc. If you are available to help please return the slip below to school with your availability by Friday 21<sup>st</sup> June, I will then send a confirmation slip home detailing your role. If you have any particular sports interests/strengths place state these on the slip below.

Many thanks in advance.

Yours sincerely

Miss Samantha Wright

I am available and willing to help with Sports day on Friday 12<sup>th</sup> July.

Name \_\_\_\_\_

I am available: AM  PM  All day

Any particular interests/strengths \_\_\_\_\_

Signed \_\_\_\_\_
