

Barkisland CE (VA) Primary School

Sports Funding Report 2017-2018

At Barkisland CE VA Primary School, we recognise the contribution of PE to the health and well-being of our children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

What is the Sports Premium?

The government is providing funding of £150 million per annum to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year, which equates to nearly £9,000 a year. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

How we have used our Sports Funding Grant

Spending	Cost	Impact
Specialist dance teachers to teach dance across the curriculum.	£840	Continued high uptake of children choosing to participate in extra-curricular dance clubs.
Increased resources for games teaching	£600	Better resourced to teach games.
Project Sports curriculum sessions for the full year	£2340	Specialist curriculum support for two half terms per class on two different sports chosen by the class teacher. This included up-skilling of teachers and the opportunity for children to be taught by a professional coach.
Girls' Football Team Training (KS2)	£469	The profile of girls' football has been increased across school.
Boys' Football Team Training (KS2)	£825	The profile of boys' football has now increased again after it became obvious that the success and participation of our boys' team has decreased due to charging for the club.
Part funding for an all-weather athletics track on school field	£4000	To enable children to be highly active during all weathers and a wider variety of sporting clubs/curriculum activities can be offered all year round.
Total Spend:	£9074
