Communication:

The morning is a busy time so you can either pass on a message via the staff member on the door or make an appointment by ringing the office.

If your child is going home with somebody different please sign the home time clipboard.

Just a reminder:

PE days- this term our indoor PE day is on a Wednesday and our outdoor day is on a Thursday. Please ensure that your child has the appropriate PE kit in school.

Homework - is sent home on a Friday and is due back in school by the following Wednesday.

Reading Books - are swapped on Mondays and Thursdays. Please also access your child's Bug Club account.

Uniform

Please ensure that any item of clothing and footwear brought into school by your child is clearly labelled with their name. We are constantly finding items without names in, making it impossible to return them to their owners!

Phonics screening

Week beginning 10/6/19 your child will complete their Year 1 phonics screening. Please ensure your child is in school this week as this is a statutory test. However, it is completed in a relaxed environment with your child. In preparation for this you may find the following website and games useful to play with your child at home.
