

Year 2 Curriculum Letter!

Summer Term

Wednesday 1st May 2019

Welcome to the Year 2 curriculum newsletter. I hope you have all had a lovely Easter and are ready for this action packed term.

In English, we will start off the summer term with a lovely book 'Meerkat Mail'. The children will be given opportunities to write their own version of the story, write postcards, letters, notes, speech and much more.

In Maths, we are focusing on problem solving across all areas of the curriculum. We will be completing lots of revision and consolidation activities, in preparation for SATs. Our focuses will change according to needs of the children.

Our topic this term is 'Seaside' we will be identifying seaside towns in the UK. We will be covering lots of geographical skills throughout this topic such as map and compass skills. It would be fantastic if you could send in any photos of your child at a seaside location to use on our display by 7.5.19. Make sure you let us know where in the world they are.

Within Spanish, we will be continuing to extend our vocabulary skills. We will be learning much more through song and practising our writing of Spanish words.

In Science, this term we will be learning all about living things and their habitats. We are very excited about this topic and will be sending further details about our trip which will take place during Summer 2.

In ICT we will be looking at statistics and graphing skills.

P.E is on a Wednesday afternoon and Friday afternoon. This term we will be covering: Athletics, striking and fielding games, outdoor and adventurous.

This term in Art and DT, we will be covering-

Summer 1- Sewing

Summer 2-Nature and 3D sculpting- Andy Goldsworthy.

Summer 2- Computer Art

Homework- will be sent out each Wednesday and due back in the following Monday. Homework will be linked to what we are covering in class and should be a consolidation of what your child has already done in class. Please encourage your child to read as often as possible.

In R.E. we will be thinking about who is a Muslim? And what do they believe?
