

Year 4 - Curriculum Overview

Summer Term

Dear Parents/Carers,

I hope everyone enjoyed the Easter Break and are refreshed, ready for the Summer Term!

Here is the overview of the Summer Term Curriculum for Year 4. Please don't hesitate to contact me if you have any questions/queries.

Mr Elliott ☺

Topic

- *ICT:* Data Logging & Scratch
- *Art & DT:* Egyptian Print Making
- *Music:* Charanga

Geography/History

- **Ancient Egypt**

PE

- Swimming
- Striking and Fielding Games & Athletics

Summer Term –

Information update for parents/carers;

- ❖ **Homework** – this term it will continue to be handed out on a *Friday* and is due in on the following *Wednesday*.
An Ancient Egyptian project will be sent home in the last week before half term.
- ❖ **PE** – for Summer Term 1 PE will take place on a Monday. After half term, PE will take place on Thursday as we will be taking part in Project Sport session. Outdoor PE Kits will be needed in school please for these days.
- ❖ **Swimming** – this will continue every Thursday (except for Thurs 9th May – Y5 Swimming Gala trials). If your child is in school on this day they will be swimming so please ensure kits are sent in. **The only exception to this is if your child has a doctor's note.**
- ❖ **Linking Project** – As part of our link project with St Augustine's School, we will be meeting our buddies again during the Summer Term.
- ❖ **Archie Bishop** – The projects carried out by the children were a great success! We will continue to learn important skills about teamwork and helping others, completing the project during the Summer Term!

Thank you, Mr Elliott
