

BARKISLAND CofE (VA) PRIMARY SCHOOL

EASTER EGG COMPETITION

Each year at the end of the Spring Term, we hold our annual Easter Egg competition. **This will be happening in class on the morning of Wednesday 29th March.** **All children will need to bring in either a hard boiled or blown egg on that morning (only 1 egg can be used in the design).** Children can also bring in other art materials from home that may help them with the decoration or design of their egg. School will provide the basic materials such as paint, glue, card and felt tips etc. The children have the whole morning to create their designs!

Your child can turn their egg into anything. In the past, ideas have included bees, pigs, sheep, Mr Men characters to Rapunzel in her tower with flowing, long hair, it really is an activity for your child's imagination to run wild!

Please note: all materials that are brought into school should be developed during that morning and not pre-made at home.

We have also given some examples of some pictures showing you how you can decorate an egg and the materials that can be used. Some are obviously of older children's ideas but give you an idea nonetheless!!

Please speak to your child's teacher, if you have any queries.

Easter Egg Designs!
