Dear Parents and Carers,

EYFS Parent-School Partnership – Summer Term 2025

Continuing on from the success of last term's family sessions we are running them again! When parents and schools work together, it creates a supportive environment for the child's growth, learning, and overall development both at school and at home. During the Summer Term the EYFS unit will be inviting parents and carers into school during phonics sessions, rhyme and story times and for a special Father's Day craft and story session.

During the family phonics sessions, parents can learn strategies to help their children with letter recognition and sounds, blending, and decoding words. Teachers can provide insights into the Monster Phonics programme being used, so parents know exactly how to support their child's learning at home.

In order to enable as many families as possible to join us at these events, each session will be limited to a maximum of 10 adults per session. We ask that in the first instance, a maximum of 2 sessions are booked with only one adult attending the session. Booking is essential and will close a week before the session, we will open up any additional spaces after the closing date. These can be found under the Clubs tab on School Spider, we cannot accept walk-ins on the day due to limited space and safeguarding procedures.

Family phonics sessions for **Reception** are on:

 Wednesday 7th May 9:00am-10:00am
